## OUTGOING BOARD MEMBERS ... ... OF THE 9<sup>TH</sup> SANGGUNIANG

*“Great positions require great responsibility”*

As the saying goes, the higher your title, more is expected of you especially being an elected official in our country, you serve as the role model and the honorable person you are supposed to be in performing your duties of reaching out and serving the people's interest and welfare. Being in the field of public service truly entails a lot of integrity, honesty, loyalty and humility. For a public servant is a public trust. And it is indeed a noble experience to have fully served our 'kababayans' and be part of their daily lives being the lawmakers who made a difference for the welfare of the common good.

On that note, a pleasure to give our last term Board Members a big round of applause and a standing ovation for doing a job well done ... having been elected thrice is truly an accomplishment and only proves that they are loved by their constituents.

On the other hand, we have two (2) Board Members who decided to just finish one (1) term for they are already happy with the time and opportunity given them. Even for so short a time, they were able to perform for their constituents, have pushed their service agenda and have shared their love and concern for their fellow Bulakenyos. They served well and definitely worthy member of the Sangguniang Panlalawigan who were admired by people around them.

And to sum it all, here are **some notable and important ordinance(s) and resolutions** authored by our beloved Sangguniang Members for the span of 9 years, from 2010 to 2019, .... and 3 years, from 2016 to 2019 in the service of their Districts in the province of Bulacan.

**HAPPY AND HONORED TO HAVE YOU MGA KASANGGUNI!**
