BLESSING OF THE RENOVATED VICE GOVERNOR'S OFFICE

March 16, 2023 – The newly renovated office had its blessing after the Sangguniang Panlalwigan regular session. It was a simple occasion but definitely well attended by all the Board Members and staff of the 11th Sangguniang Panlalawigan. The SP secretary and her staff were also present. Msgr. Pablo Legaspi, Jr. led the blessing while VG Alex led the tossing of coins in every area of the office. A sumptuous buffet of mixed comfort foods was served for those who graced the event. It is but a breath of fresh air to have a new atmosphere in our place of work. It invigorates each and every one working in a refreshed environment considering that it is a political office often visited by constituents in need of assistance. The new look of the Office of the Vice Governor will surely have a welcoming feeling for the Bulakenyos who will visit the place.

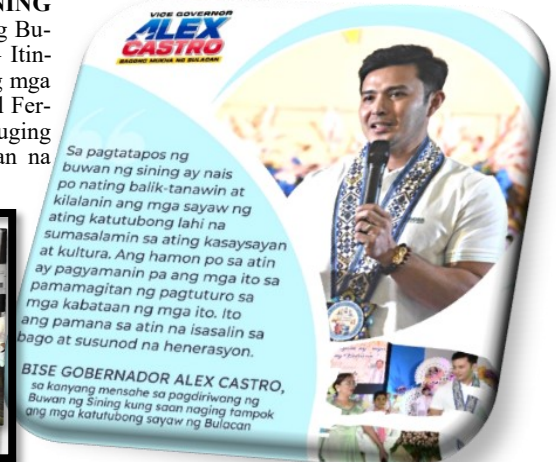

At the same time, this is the return of the conduct of regular session of the 11th Sangguniang Panlalawigan at the Bulwagang Senador Benigno S. Aquino, Jr. after the renovation. This is indeed a happy return because the session hall was truly missed after more than two (2) months of holding regular sessions at the Conference Hall of the Provincial Engineers' Office and at times through online application (zoom) to give way to the renovation .
